Uniform Policy

February 6, 2025

Dear New Horizons Community Charter School Families,

This is a reminder that New Horizons Community Charter School is a **Uniform School**, as outlined in our **School Code of Civility**. As we continue to uphold our standard of excellence and **strive to be the Model of Excellence**, we expect all students to wear their uniforms **every day**.

We understand that unexpected situations may arise, such as laundry challenges. To support our families, we have a **Clean Clothes Program** in place. Students may bring up to **three uniforms** to school and give them to **Dr. Abdullah, our School Social Worker**. These uniforms will be washed and dried, ready for pickup by **9:30 AM**. Please do not feel embarrassed—this initiative exists to assist families when needed.

However, there are instances where students are **choosing** not to wear their uniforms. In such cases, parents will be asked to **bring in the required uniform** or **pick up their child** from school.

Thank you for your continued partnership in maintaining a **standard of excellence** for our scholars. Your support ensures that our students take pride in their school and appearance, fostering a culture of discipline and readiness for success.

If you have any questions or need assistance, please do not hesitate to reach out.

Educationally yours,

Dr. Stephen Webb
Principal
