**Stop, Drop, and Read!**

**A School-Wide Initiative**

Stop, Drop, and Read is a school-wide initiative designed to inspire students and teachers to pause their busyschedules and dedicate time to reading. As th Model of Urban Education, this program further demonstrates our commitment to excellence by providing a powerful way to nurture a love for reading and enhance literacy throughout our school community.

We encourage everyone to carry a book with them daily, making reading a spontaneous and enjoyable part of their day. On Monday, September 9, 2024 from 2:15pm-2:30pm, we will officially launch this initiative with a 15-minute "Stop, Drop, and Read" session for all staff and students. This program also supports our 100-Book Campaign, where any student who documents 100 books will receive special gifts from the adminstration.
